Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for East County Bus Charging Infrastructure in fiscal year 2025. The entity to receive funding for this project is the San Diego Metropolitan Transit System located at 1255 Imperial Avenue, Suite 1000, San Diego, CA 92101. The funding would be used to redevelop MTS' East County bus division to accommodate and maintain a fully zero emission bus (ZEB) fleet. The project is an appropriate use of taxpayer funds because it enhances the bus fleets that serve historically marginalized low-income and minority communities and will enable the MTS to continue providing vital, clean, and efficient transportation services to communities throughout San Diego County.

The project has a Federal nexus because the funding provided is consistent with purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Sara Jacobs".
