Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for MTS ADA Bus Stop Improvement Project in fiscal year 2027. The entity to receive funding for this project is San Diego Metropolitan Transit System, located at 1255 Imperial Avenue, Suite 1000, San Diego, CA 92101. The funding would be used to design and construct ADA-compliant bus stop improvements near schools, parks, and public resource center locations that serve youth, families, seniors, and individuals with disabilities. The project is an appropriate use of taxpayer funds because it ensures compliance with the Americans with Disabilities Act of 1990 and keeps our public transportation safe and accessible for the entire community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
