The Honorable Rosa DeLauro

1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the RESPECT Project in fiscal year 2027. The entity to receive funding for this project is Lifeline Community Services, located at 200 Michigan Avenue, Vista, CA, 92084. The funding would be used to expand programming offered by local law enforcement to reduce juvenile delinquency, lower recidivism, and help at-risk youth build relationships with law enforcement agencies. The project is an appropriate use of taxpayer funds because it encourages at-risk youth to develop positive relationships with law enforcement and prepares them to be productive members of society.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
