Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Diego Homeless Encampment Clean Up Program in fiscal year 2027. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101. The funding would be used to perform homeless encampment abatements and outreach services on approximately five miles of freeway in the downtown San Diego area. The project is an appropriate use of taxpayer funds because it would support the purchase of equipment and materials to allow the City to expand their operations, and help connect individuals with housing resources so that they are less likely to return to unsafe and unsuitable freeway locations.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
