Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for San Diego Wildfire Suppression in fiscal year 2027. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101. The funding would be used for the purchase and installation of four fixed helicopter fire hydrant systems and non-toxic fire inhibitor supplies to enhance aerial wildfire suppression capabilities. The project is an appropriate use of taxpayer funds because it will allow for emergency services to better control and reduce the spread of wildfires in open spaces and prevent property damage in residential communities and businesses. Last year, San Diego experienced thousands of life-threatening fires, many of which led to structural damage and displaced families.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in Community Development Fund (CDF): 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
