The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for School Safety and Emergency Preparedness in fiscal year 2027. The entity to receive funding for this project is the San Diego Unified School District, located at 4100 Normal Street, San Diego, CA 92103. The funding would be used to strengthen student safety and emergency preparedness across district school sites that have experienced multiple safety-related incidents. The project is an appropriate use of taxpayer funds because it will help ensure our students have safe routes to school and secure learning environments.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Sara Jacobs  
Member of Congress
