The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Transitional Support Mobile Clinic in fiscal year 2027. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101. The funding would be used to establish San Diego Fire-Rescue's Resource Access Program mobile clinic to connect frequent 911 callers with chronic medical conditions and substance use disorders with appropriate medical care and resources. The project is an appropriate use of taxpayer funds because it will bring medical care directly to patients struggling with chronic medical conditions and substance use disorders to alleviate the strains on normal emergency medical services – approximately 20 percent of emergency medical services call volume come from the population that the Resource Access Program serves.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Service Act

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs  
Member of Congress
