The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the El Cerrito and Rolando Park Storm Drain and Green Infrastructure Project in fiscal year 2025. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101. The funding would be used for replacing deteriorating Corrugated Metal Pipe (CMP) storm drains at the College Avenue and University Avenue intersection and an adjacent residential area with Reinforced Concrete Pipe (RCP). The project is an appropriate use of taxpayer funds because it addresses critical infrastructure needs and delivers long-term benefits in terms of environmental stewardship, regulatory compliance, and community well-being.

The project has a Federal nexus because the funding provided is consistent with purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Sara Jacobs  
Member of Congress
