Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for San Miguel Elementary Safe Routes to School Infrastructure Improvements in fiscal year 2026. The entity to receive funding for this project is the City of Lemon Grove, located at 3232 Main Street, Lemon Grove, CA 91941. The funding would be used for infrastructure improvements to support the safety and convenience of students walking and biking to school and to local institutions in the area. The project is an appropriate use of taxpayer funds because it improves public safety in the Lemon Grove community and establishes healthy habits for local youth.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133(b)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sara Jacobs
Member of Congress
