The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Mobile Washer and Dryer Units for Unhoused San Diegans in fiscal year 2025. The entity to receive funding for this project is San Diego Unified School District, located at 4100 Normal Street, San Diego, CA 92103. The funding would be used to transform decommissioned school buses into mobile washer and dryer units to address the hygiene needs of San Diego's unhoused population. The project is an appropriate use of taxpayer funds because it adds to San Diego's whole-of-government approach to addressing homelessness and creates opportunities for greater economic mobility. In 2023, the federally mandated Point in Time Count found 10,264 people experiencing homelessness in San Diego County, an increase of 14% since 2022.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Sara Jacobs  
Member of Congress
