The Honorable Kay Granger

1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for “UC San Diego Health CommUnity Mobile Unit (UCSDH CommUnity MU),” in Fiscal Year 2023. The entity to receive funding for this project is the University of California, San Diego, located at 9500 Gilman Drive, La Jolla, CA 92093.

The funding would be used by UC San Diego Health (UCSDH) and UCSD Center for Community Health to create a CommUnity Mobile Unit (MU) to increase health care access, improve preventative health care services delivery, and build capacity for local community-based organizations (CBOs) serving San Diego residents in the 53rd Congressional District. This project proposes to implement a scalable health care mobile unit that adds capacity to existing local community-based organizations. In this model, services would be à la carte and selected by the CBO for monthly scheduled events that serve the gaps in care that are most important to address locally.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sara Jacobs'.
